

Create your own look from Wonderland- Spring 2011

Basic Everyday Look

(A) *Lightest shade*- brush a thin layer on your brow bone

(B) *Medium shade*- apply to your entire lid, blending slightly up into the crease

(C) *Dark shade*- use on your top lash line & the outer 3rd of your bottom lashes

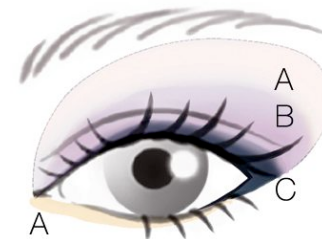

Simple Spring Look

(A) Pat *Shake Color* on your brow bone & the inner half of your bottom lash line

(B) Sweep the medium shadow on your lid into your crease

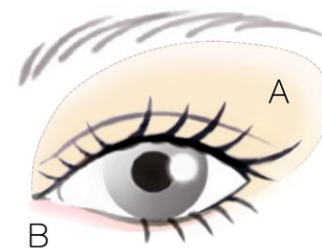

(C) Apply the darkest shadow along your top and bottom lash lines

Sweet Innocent Look

(A) Tap a thin layer of *Shake Color* on your brow bone. Layer the same shade on your lid till you get the desired intensity

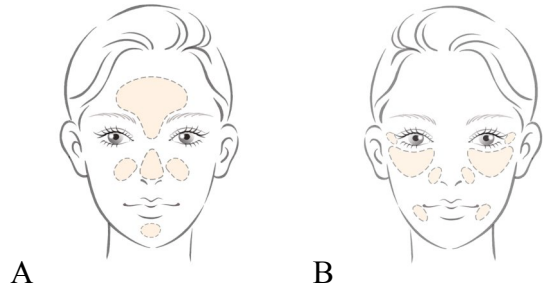

(B) Apply a contrasting shade in the inner corners of your eyes & bottom lash line with the applicator or thin brush

Shake Color Tips:

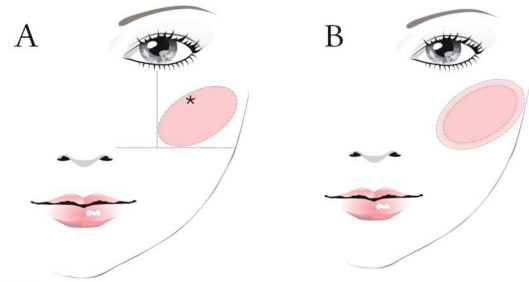

- * Shake tube before applying
- * Apply before eye shadow as a base or tap over shadow to add sheen
- * Apply directly from the applicator or lightly pat on using your finger
- * Use a thin brush to apply eye shadow onto your lower lash line, top with a thin layer of Shake Color- voila!

Clear Smoother- apply before liquid or powder foundation, with gentle taps
(A) Minimize the appearance of large pores & help prevent T-zone shine
(B) Helps minimize redness and uneven skin texture

Creamy Cheek Color-apply *before* your powder foundation or *after* your liquid foundation

(A) Apply by gently pressing and sliding color over the oval of your cheek bone
(B) Lightly blend the color so that it looks like a natural flush by tapping your finger around the outer edge

Spring 2011 Makeup Tricks

Balm-like lipsticks are great for busy women, skip the liner & apply straight from the tube, no mirror required!

Add a touch of shimmer to the inner corners of your eyes to bring light.

Use makeup brushes for softer color. If you want more pigment, use a sponge tipped eye shadow applicator.

Blush is an easy way to help you look refreshed and more youthful. Wear it!

Lavender eye shadow is a pretty color that compliments all eye colors.
